Release date: 10 June 2016

Label: Line

Genre: MODERN CLASSICAL / AMBIENT, ELECTRONIC

MP3

FLAC

WAV

CD

Available 10 June 2016

#### Boomkat Product Review:

*Derek Piotr's *Drone* emphasizes the form and durational composition of drone through unquantized, glitching samples and near-absence of rhythm. It features Maja S. K. Ratkje's voice and additional production by Thomas Brinkmann and is a real gem in the Line catalogue, the best release on the label for a while.*
